

Childcare Guidelines

In order to provide a safe and happy environment for your child, Aquamoves Childcare complies with Children Services Regulations. These guidelines are listed below.

- Children who are sick or who have an infectious disease can not come into care. Please check with staff if you are unsure about bringing your child.
- On arrival and departure a parent/guardian must sign their child in/out with exact times.
- If something out of the ordinary has happened to your child before arrival please advise childcare staff so we can provide some TLC.
- If your child is stressed, hurt or unwell staff will notify parents/guardians.
- A change of clothes and/or nappies is required for babies and children who are toilet training.
- Please ensure all items brought into the centre including spare clothes, food and drink containers are clearly labelled with your child's name.
- Please provide a healthy snack and a drink/ bottle (filled with water) for your child when they attend. All consumables should be clearly labelled.
- **We prefer you to not include NUTS, Peanut butter or Nutella due to the associated choking/allergy risks.**

We welcome all queries and suggestions. Please don't hesitate to speak to one of our friendly staff.

Health and safety issues can be discussed with our Childcare Coordinator Shea Dodds by phoning 5832 9411 or by writing to the Team Leader – Children Services, Greater Shepparton City Council.
