

How to access the Aquamoves Portal

- 1) Please ensure you are using **Google Chrome**, visit the Aquamoves website www.aquamoves.com.au and click on the Member's Area button.

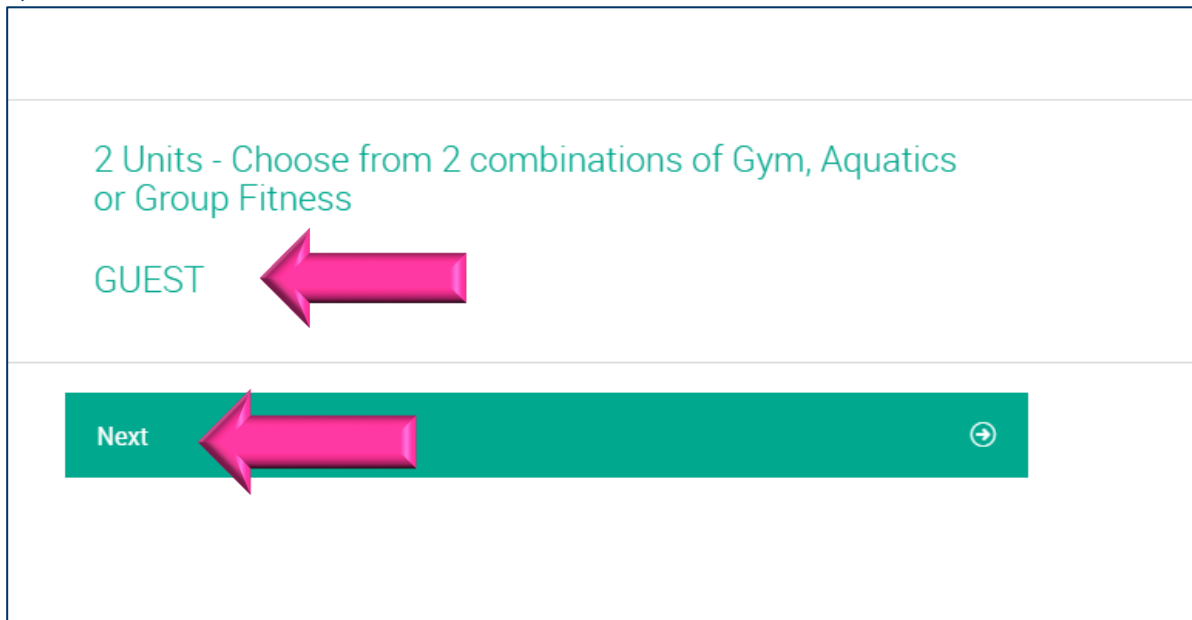

- 2) If you are a **member**, use your existing details to log in. If you don't remember your password click the 'Forgot Password?' button. Once you have logged in skip to **Step 8**.

3) If you are a **non-member** click 'Join now.' This will allow you to create a guest profile and access our online session bookings.

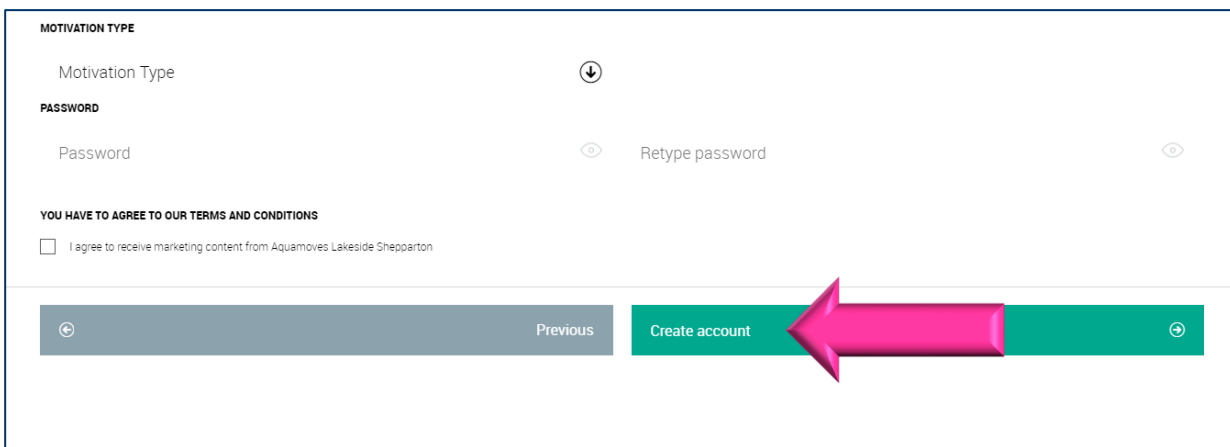

4) Click 'GUEST' and then click 'Next.'

5) Select 'CREATE FREE ACCOUNT' and then click 'Next.'

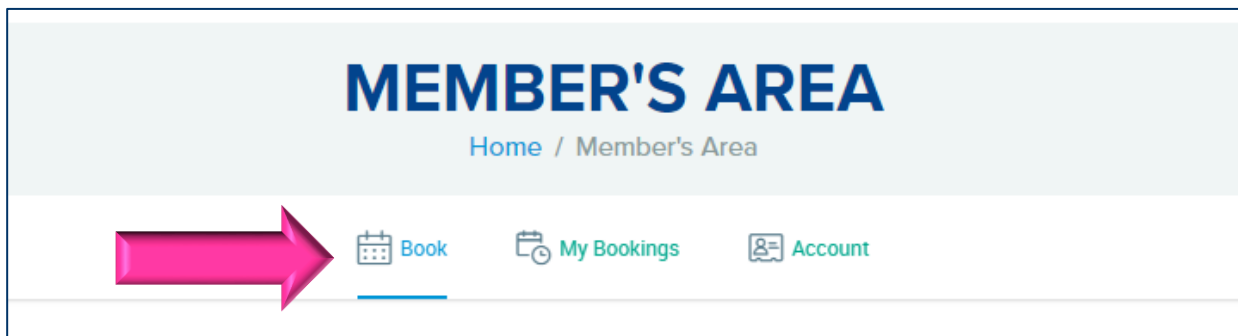

6) You can now enter all your details in the required fields. **Ensure that you read and complete the Pre-exercise Screening Tool** and agree to our Terms and Conditions. It is also important to set a password that is easy to remember (make sure you write it down somewhere so you can use it to log in next time). Once you have done this click the 'Create Account' button located at the bottom right of this page.

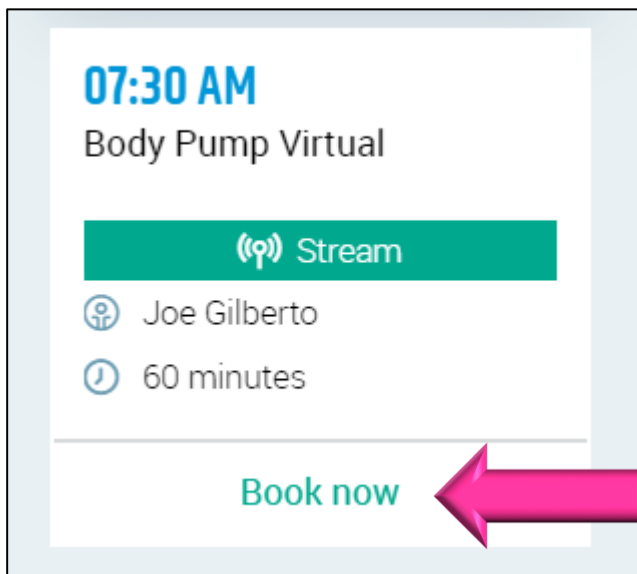

7) You can now access your client portal. Click 'Go to your client portal.'

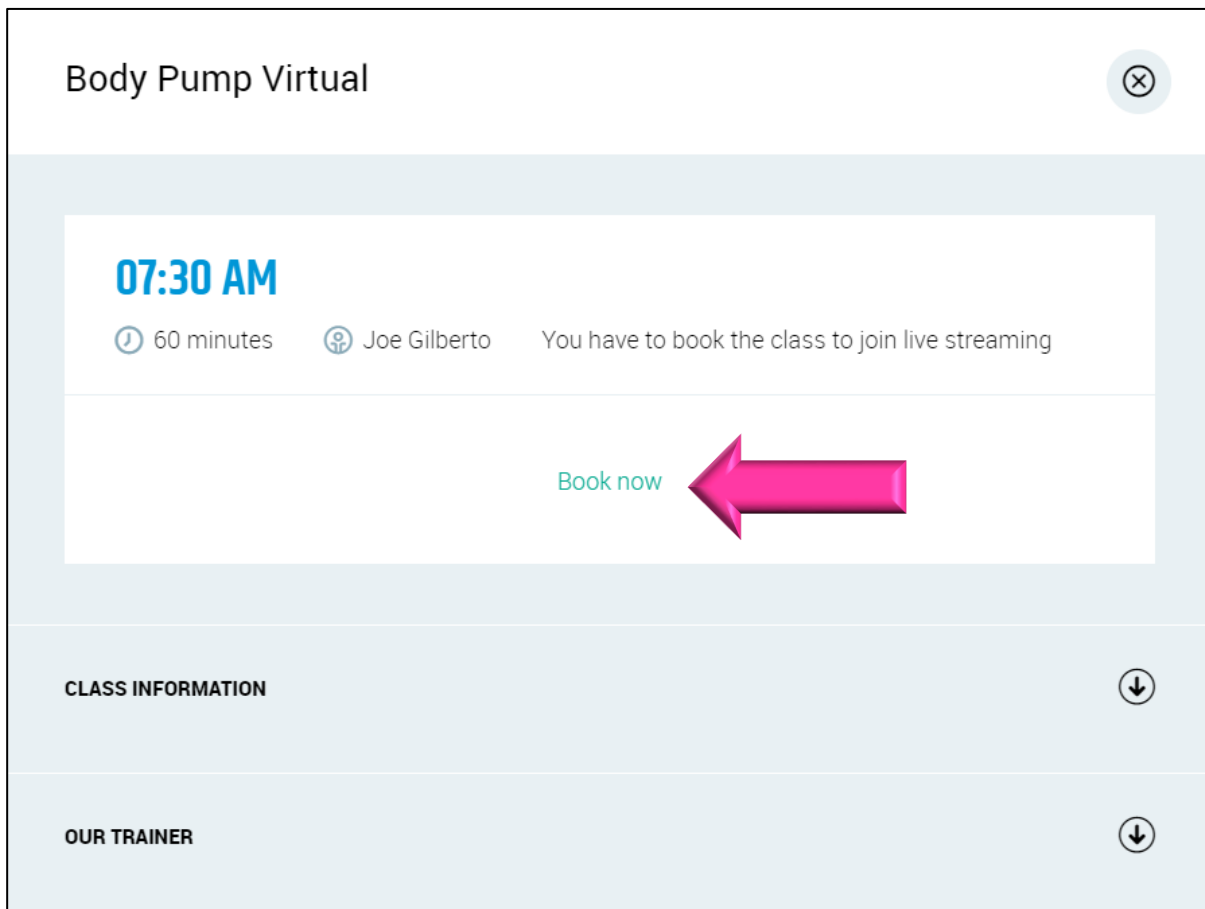

8) You should now be able to see a schedule of all available Aquamoves sessions by clicking 'Book'.

9) To book a session click the 'Book Now' button which will appear where 'Too soon to book' currently appears in the screenshot below. Sessions can only be booked 76 hours prior to commencement, so 'Too soon to book' will appear until the session becomes available for booking.

10) Confirm booking by clicking 'Book now' again when the new screen pops up.

11) You can view and cancel your bookings using the 'My Bookings' button and you will also have the ability to access and edit your personal information using the 'Account' button.

If have difficulty with any of the above please email customerservice@aquamoves.com.au or phone us on 5832 9400.
