

# Class Descriptions (Classes cater for participants from beginner to advanced).

## **Aqua Arthritic**

Conducted in the Hydrotherapy Pool this class is specially designed for the fragile or people that suffer any arthritic symptoms. A gentle workout in the warm soothing surrounds.

## **Aqua Hi-Low and Deep Water Aerobics**

Aqua aerobic classes are designed to cater for all fitness levels and ages. It's a great cardiovascular and muscle toning class without the impact on our joints. You will improve core strength whilst strengthening all major muscle groups.

## **Barre/Step Combo Class**

Les Mills Barre is a modern version of classic balletic training; a 30 minute workout designed to shape and tone postural muscles, build core strength and allow you to escape the everyday. The Combo Class launch will consist of Barre for the first 30 minutes, followed by 30 minutes of BodyStep.

## **BodyCombat**

This class offers a variety of options which allow you to work at your own level. BodyCombat combines elements of traditional martial arts including Tai Chi, Karate and Kick Boxing to give you a great, total body workout.

## **BodyBalance**

A Yoga influenced, pre-choreographed exercise program set to uplifting music. Combination of free flowing moves. Focus is placed on improving strength, flexibility and relaxation.

## **BodyPump**

A total body sculpting, high repetition, muscular endurance, fat burning, weight workout accompanied by highly motivating music.

## **BodyStep**

This class will challenge the fittest member and is easy to follow for the beginner. Using a platform to step up and down, the combination of upper body and floor exercises will leave you feeling trimmed, toned and terrific!

## **Cardio Boxing - Boxing for Fitness**

Boxing for fitness is a non-choreographed program that is easy to follow and suited to a variety of participants. The moves are low impact on joints but with high intensity. Great for overall fitness improvement, weight loss and sports specific training.

## **GRIT Series**

A 30 minute high intensity interval training workout that takes you into overdrive to go hard, push harder and get you fitter, super fast. Includes Strength, Cardio and Athletic.

## **Les Mills TONE**

An optimal mix of strength, cardio and core training that ticks off a complete workout. The mix of functional training and tubing exercises helps you burn calories and take your fitness to the next level. Also a great foundational class, TONE has a wide variety of options accommodating all fitness levels.

## **Outdoor Functional Training (OFT)**

OFT creates a healthy, well-conditioned body and is effective for individuals who need to improve balance, stability and neuromuscular coordination. Functional training also helps build inner strength, whilst improving endurance, range of motion and posture.

## **Over 60s Circuit**

Over 60s Circuit is a class combining both resistance and high-intensity aerobic training. Easy to follow, Circuit targets strength building and muscular endurance. You can work at your own level.

## **Over 60s Group Fitness Classes**

Enjoy a variety of fitness classes that target the over 60 age group and enable all participants to have a great workout in a friendly and comfortable environment.

## **Pilates**

Improve your posture and strengthen the core muscles that help to stabilise your body. The class will also help you to improve your circulation, flexibility and muscle tone.

## **Pilates and Props**

Pilates and Props utilises pilates circles, bands and other equipment to make movement more challenging and help build strength in your stabilising muscles.

## **RPM**

An awesome and powerful indoor cycling class which is fantastic for shaping and toning the lower body and will dramatically increase your fitness levels. The ride is totally controlled by you, via a resistance gauge.

## **SH'BAM**

Featuring simple but seriously hot dance moves, it is the perfect way to shape up and let out your inner star— even if dance isn't your natural thing. You'll have so much fun you will forget that you are exercising.

## **Work it Circuit**

The Work it Circuit combines HIIT, functional and circuit training into a fat burning, muscle building hour of power! All levels of fitness welcome as there is regression and progression options for each exercise provided.

## **X-Press HIIT Boxing**

High intensity interval training that also incorporates boxing. This 30 minute class will burn fat and improve your cardio!

## **Yoga/Flow Yoga**

A medium paced, holistic class with emphasis on awareness, alignment and balance. Simple breathing techniques are included in the practice and the class finishes with a guided deep relaxation. Flow Yoga is a contemporary Yoga style that links poses in order to achieve a continuous and smooth flow of movement.
