Watch Around Water Policy:

Active supervision requires parents or guardians to watch the children under their care at all times. Aquamoves has adopted Life Saving Victoria's Watch Around Water policy regarding the entry of children to swimming pools, which states:

- Children under the age of 10 years must be actively supervised by a responsible adult 16 years or older at all times
- Children under the age of five also need to be within arms' distance and actively supervised by a responsible adult 16 years or older at all times.
- Terms and Conditions – Refunds for any persons who didn't attend but were paid for can be actioned on the day. Any refunds after the date of purchase will be via our council finance Supplier Registration form.
